

What is Plexus offering?

- Sponsorships awarded to multiple Senior Design teams (minimum of \$500)
- Access to Plexus engineers, technicians, and lab equipment for technical mentorship/project support

How can your team apply for sponsorship?

- Schedule a time (15 - 20 minutes) for your team to discuss your project plans, problem statement and overall vision for your Senior Design project with Plexus engineers
- Sign up link: <https://doodle.com/poll/bx57z8h7h5gu7kdx>

When do you need to apply?

- The deadline to sign up for a project discussion time slot is: Friday, 4-OCT. First come, first serve!
- Plexus will be on campus to meet with applicants: Thursday, 10-OCT in room CC430 from 9:20a to 3:00p.

What else does sponsorship include?

- Get a chance to visit Plexus Neenah Design Center following the first trimester. At this visit, each sponsored team will:
 - Receive a tour of the facilities
 - Get to present their project plan to a wider audience of engineers
 - Receive its monetary award
- Lunch provided, along with a \$50 gas card to offset travel expenses for those using their own vehicle.
- Receive biweekly and ad-hoc technical mentorship while providing informal status updates
- Receive reviews of all Senior Design deliverables from your mentor (an MSOE alumnus) before submission
- Display Plexus' logo on the project poster, in presentations, on the project itself (if possible), etc.
 - Teams retain all intellectual property rights! This is *your* project - we'll help you Realize it.
