Put in the time upfront

Review the notes and textbook BEFORE class

How To Be Successful In CE3101

This class will operate in Flipped Mode

- You are responsible for reading the prework for each class (before class)
 - Schedule an hour the day before class to read the textbook and notes
- Class time will be spent
 - Highlighting key concepts
 - Answering questions
 - Working examples

How To Be Successful In CE3101

Assignments

- The homework lags the lectures by several days
 - Start Early
 - Ask Questions
- Labs have 3-4 days to complete
 - Make sure you know what you are doing before leaving the formal lab
 - Create a plan
 - Document along the way
 - Otherwise, you will end up redoing work
