Decimal to unsigned binary

```
Decimal 66 to unsigned binary          01000010

Decimal 95 to unsigned binary          01011111

Decimal 14 to unsigned binary          00001110

Decimal 126 to unsigned binary         01111110

Decimal 212 to unsigned binary         11010100

Decimal 188 to unsigned binary         10111100

Decimal 202 to unsigned binary         11001010

Decimal 34 to unsigned binary          00100010

Decimal 150 to unsigned binary         10010110

Decimal 225 to unsigned binary         11100001
```

Decimal to signed binary

Decimal -62 to signed binary   11000010

Decimal -34 to signed binary   11011110

Decimal 127 to signed binary   01111111

Decimal -128 to signed binary   10000000

Decimal -19 to signed binary   11101101

Decimal -86 to signed binary   10101010

Decimal 86 to signed binary   01010110

Decimal -52 to signed binary   11001100

Decimal -73 to signed binary   10110111

Decimal -5 to signed binary   11111011

Unsigned binary to decimal

```
Unsigned binary 11100011 to decimal          227

Unsigned binary 10101010 to decimal          170

Unsigned binary 01010101 to decimal           85

Unsigned binary 10100101 to decimal          165

Unsigned binary 01100110 to decimal          102

Unsigned binary 00011001 to decimal           25

Unsigned binary 11100001 to decimal          225

Unsigned binary 10011110 to decimal          158

Unsigned binary 01111111 to decimal          127

Unsigned binary 01011001 to decimal           89
```

Signed binary to decimal

```
Signed binary 11100011 to decimal                    -29

Signed binary 10101010 to decimal                    -86

Signed binary 01010101 to decimal                     85

Signed binary 10100101 to decimal                    -91

Signed binary 01100110 to decimal                    102

Signed binary 00011001 to decimal                     25

Signed binary 11100001 to decimal                    -31

Signed binary 10011110 to decimal                    -98

Signed binary 01111111 to decimal                    127

Signed binary 01011001 to decimal                     89
```

Hex to unsigned binary

Hex 0x34 to unsigned binary   00110100

Hex 0xA2 to unsigned binary   10100010

Hex 0x91 to unsigned binary   10010001

Hex 0xDE to unsigned binary   11011110

Hex 0x79 to unsigned binary   01111001

Hex to signed binary

Hex 0xCB to signed binary   11001011

Hex 0x28 to signed binary   00101000

Hex 0x6F to signed binary   01101111

Hex 0x63 to signed binary   01100011

Hex 0x05 to signed binary   00000101

Unsigned binary to hex

```
Unsigned binary 11100011 to hex          E3

Unsigned binary 10101010 to hex          AA

Unsigned binary 01010101 to hex          55

Unsigned binary 10100101 to hex          A5

Unsigned binary 01100110 to hex          66
```

Signed binary to hex

```
Signed binary 00011001 to hex            19

Signed binary 11100001 to hex            E1

Signed binary 10011110 to hex            9E

Signed binary 01111111 to hex            7F

Signed binary 01011001 to hex            59
```
