

# Lab Notebook Expectations

- Goal
  - Document your design
    - Considerations, analysis, tradeoffs
    - Schematics, code, simulations, scope traces, ...
  - Track your progress
- Format
  - In EE2931 Class Notebook in OneNote
- Assessment
  - Completeness of analysis
  - Completeness of documentation

# Lab Notebook Expectations

- One Note
  - Create a new tab for every week
    - Use the EXACT name: **LWx**
      - Where **x** is the week the report is due
      - E.g. the first tab should be labeled **LW2**
  - Include (1 or more) files for each of the following:
    - Design/analysis/Schematics
    - Code
    - Test/test plan
