# Covid-19

This quarter is going to be different  
let's just make the best of it

- My goal is to keep the EE4980 experience as complete as possible
- If you have any issues with the following processes, please let me know immediately

# Covid-19

- Lectures
  - Classes will be Synchronous
  - Notes will be available on the website
- Homework
  - Assignments will be submitted via OneNote
  - Due at 4:00pm on the designated day
- Tests
  - Open Notes
  - Conducted in Canvas

# Covid-19

- Teams
  - You will receive an email inviting you to a Microsoft Team (EE4980\_Q3\_21\_Johnson)
- OneNote
  - Follow the directions on the website to setup the class notebook

# Covid-19

- Questions, ...
  - Quick questions can be asked via Teams chat
  - Detailed questions should be asked in email form
    - Be sure to put EE4980 in the subject line
    - Err on the side of providing too much information – the alternative will involve several rounds of email and more delay
  - General questions (you think others may have the same question) can be submitted as a comment to the Team General page – **BE PROFESSIONAL**
