

EE 4980
Modern Electronic Systems

HW 8

I hope you all enjoyed the class despite the circumstances, and I wish you the best as you start your careers.

Search and Think

- 100 pts

- A) Identify the topic(s) you enjoyed the most

- B) Identify the topic(s) you enjoyed the least

- C) What should be dropped from the class (not necessarily what you enjoyed the least – perhaps something you don't think is relevant)

- D) What should be added to the class
