Expectations

Last updated 6/13/23

These slides outline my expectations of you wrt this class

Expectations

- Be present
  - Come to class
  - Pay attention – no phones, no computer games, …
  - Participate – ask/answer questions

- Do the work
  - Pre-reading
  - In-class programming
  - HW / Programming assignments – ON TIME

- Start acting professionally
  - Be considerate of others
  - Check the obvious locations before asking non-class related questions
    - What are your office hours today?
    - When is HW assignment 12 due?
  - Make an effort before coming for help
    You: "I don't understand problem 2 in the HW."
    Me: "Did you look over the notes? Come to class?"
    You: "No."
    Me – inside my head: "Hmmm"
