**Follow these instructions for full credit:**

- **Staple** this lab cover sheet on top of all the materials you are submitting.
- Submit your work in the **order** listed above.
- In addition to the materials above, submit any other supporting materials you create while working the lab where they fit best in your report.
- Your prelab is due at the start of lab. Your demo is due during the lab period. Your lab packet is due by 9 AM on the day after the lab is performed. There is a 2 point per day late penalty on the report+ demo. Slip your submitted lab packet under my office door or submit your packet to me during the laboratory.
